Nutrition in DU30 Legacies for the Philippine Health Agenda
Outline

• The health system we aspire for in the context of the “current” situation
• Philippine Health Agenda Framework
• Our Legacies 24/7
• DOH-30 Things to Do
The Health System We Aspire For

**FINANCIAL PROTECTION**
Filipinos, especially the poor, marginalized, and vulnerable are protected from high cost of health care

**BETTER HEALTH OUTCOMES**
Filipinos attain the best possible health outcomes with no disparity

**RESPONSIVENESS**
Filipinos feel respected, valued, and empowered in all of their interaction with the health system
The Health System We Aspire For

- EQUITABLE & INCLUSIVE TO ALL
- TRANSPARENT & ACCOUNTABLE
- USES RESOURCES EFFICIENTLY
- PROVIDES HIGH QUALITY SERVICES
During the last 30 years of Health Sector Reform, DOH has undertaken key structural reforms and continuously built on programs that take us a step closer to our aspiration.

**Milestones**

- RA 7160 (1991) - Devolution
- RA 6675 Generics Act of 1988 – use of generics
- EO 51 (1986) - The National Code of Marketing of Breastmilk Substitutes
- PhilHealth (1995)

- DOH resources to promote local health system development
- Fiscal autonomy for government hospitals
- Good Governance Programs (ISO, IMC, PGS)
- Funding for Universal Health Care
Every year, around 2000 mothers die due to pregnancy-related complications.

A Filipino child born to the poorest family is 3 times more likely to not reach his 5th birthday, compared to one born to the richest family.

Three out of 10 children are stunted.
Restrictive and Impoverishing Healthcare Costs

Every year, 1.5 million families are pushed to poverty due to health care expenditures.

Filipinos forego or delay care due to prohibitive and unpredictable user fees or co-payments.

Php 4,000/month healthcare expenses considered catastrophic for single income families.
Poor quality and undignified care synonymous with public clinics and hospitals

- Long wait times
- Limited autonomy to choose provider
- Less than hygienic restrooms, lacking amenities
- Privacy and confidentiality taken lightly
- Poor record-keeping
- Overcrowding & under-provision of care
ALL FOR HEALTH TOWARDS HEALTH FOR ALL

Lahat Para sa Kalusugan!
Tungo sa Kalusugan Para sa Lahat
ATTAIN HEALTH-RELATED SDG TARGETS
Financial Risk Protection | Better Health Outcomes | Responsiveness

Values: Equity, Quality, Efficiency, Transparency, Accountability, Sustainability, Resilience

3 Guarantees

SERVICE DELIVERY NETWORK

ALL LIFE STAGES & TRIPLE BURDEN OF DISEASE

UNIVERSAL HEALTH INSURANCE

ACHIEVE
GUARANTEE #1

ALL LIFE STAGES & TRIPLE BURDEN OF DISEASE

*Services for Both the Well & the Sick*
Guarantee 1: All Life Stages & Triple Burden of Disease

Pregnant  Newborn  Infant  Child  Adolescent  Adults  Elderly

DOH-30 THINGS TO DO

1. Health center properly stocked with selected essential medicines
2. PhilHealth-accredited health facilities (MCP, TB-DOTS, PCB)
3. 100% of poor families profiled and monitored
4. 100% of population covered by social health insurance
5. Promote awareness of HIV/AIDS among the youth
6. 100% testing, counseling and treatment for sick population
7. Advocate increased condom use
8. 100% of children under five years old weighed and measured in all barangays

9. Decrease malnutrition (UW) rate by 2% per year

10. Decrease stunting rate by 3% per year – related to this is goal of “zero SAM in all barangays”

11. 1% of population donating blood

12. Adequate referral system

13. 100% functional electronic medical record

14. FHSIS and surveillance data used in the Local Investment Plan for Health
15 No stock-outs of Family Planning commodities
16 Full range of FP services offered
17 Decrease in unmet need for modern FP
18 100% tokhang assessed
19 Outpatient and community services available for drug users
20 Referral system for drug users smooth and functional
21 SDN functional
22 QMS I place – 5S standards
23 LGU health budget increased
24 PhilHealth reimbursement
25 100% of Households using safely managed sanitation services
26 100% of Households using safely managed drinking water services
24/7
27 Functional and licensed ambulance
28 All barangays visited by MHO at least 2x a year
29 100% of the identified poor provided with annual health check-up
30 One member per household trained on Resuscitation (CPR)
PHILIPPINE HEALTH AGENDA 2016-2022
